

DEBASEAL™ security labels
*The ideal sealing solution when
there are no rings for attaching seals.*

DEBATIN®
SAFE. PERFECT. PACKED.

DEBASAFE

DEBASEAL™ security labels are ideal for sealing receptacles, doors etc.
where there are no rings for attaching seals, or where seals are otherwise unsuitable. Sealing labels are available either
in blue (residue-free removal) or red (evidence of opening remains).

Overview of features:

- Security message clearly displays any attempt at tampering
- Depending on application, available residue-free or with evidence of opening remaining
- Standard size 100 x 20 mm
- 1000 pcs per roll
- Special security labels for just about any surface on demand
