

DEBAsAFE™ Air transport security - DEBATIN offers a wide selection of packaging, specially designed for virtually all areas of air transport which are subject to high security levels. **DEBAS.T.E.B.™**, globally accepted security bags for the transport of fluids, gels and aerosols, have proved their worth over many years, particularly in the area of duty-free shopping. Individual **carrier bag** designed for airport shops. **Safe bags** for transporting cash or valuables, with extensive security features including RFID tags. **Protective bottle nets** for the safe transport of glass bottles. **Security labels**, which reliably display any attempt at tampering, for sealing receptacles, doors etc. **Security seals** for sealing trolleys, containers etc. DEBATIN is also your perfect partner for customised products.

Protective bottle nets

- highly flexible for a wide range of bottle sizes
- weigh virtually nothing
- environmentally friendly production in white, foamed polyethylene

Standard

Article no.	Format (exterior) in mm	No. in box
130H240	W 190 x H 75	3000 pcs

DEBASEAL™ security labels

DEBATIN security labels are ideal for sealing receptacles, doors etc. where there are no rings for attaching seals, or where seals are otherwise unsuitable. Sealing labels are optionally available in blue (residue-free removal) or red (evidence of opening remains).

Our standard range

Article no.	Version	Description	Format in mm	Code	No. on roll
145H000047	blue	security message, residue free, no. + barcode	W 100 x H 20	Type 128	1000 pcs
145H000049	red	security message, with residue, no. + barcode	W 100 x H 20	Type 128	1000 pcs

DEBASEAL™ security seals for air transport

- ideal for sealing airline trolleys, catering trailers, emergency exit doors, lorries, tank lorries etc.
- small rod diameter measuring just 2mm is ideal for narrow openings
- digital transfer printing ensures a high level of legibility and abrasion resistance

Additional seal types, i.e., padlocks, available upon request

Rupture strength	Print area in mm	Code	Print	Units
15 kg	W 25 x H 12	All options possible	Digital transfer	1000 pcs in mats à 10 pcs

DEBAsAFE™ Air transport

Extensive portfolio of products for safe and secure air transport

DEBAsAFE

DEBAS.T.E.B.™ Security bags for air transport Secure and smooth transit. Globally approved for fluids, gels, and aerosols.

All fluids, gels, and aerosols have to be placed in sealable, transparent security tamper-evident bags once a passenger has bought such articles in a duty-free shop at the airport after passing the security checkpoint. DEBAS.T.E.B.™ (Security Tamper Evident Bag) meets all requirements dictated by the ICAO (International Civil Aviation Organisation) and the ETRC (European Travel Retail Council). DEBAS.T.E.B.™ Security bags are available in 5 sizes.
