DEBASAFE

DEBACASH™

Security bags for bank notes or coins with tamper-evident sealing strip; coin rolling paper for automatic or manual coin rolling; paper bands for bundling bank notes; vacuum bags and shrink wrap for packaging bundled bank notes or coin rolls; tags for labelling coin bags; seals for sealing transport receptacles. The DEBACASH™ range offers numerous solutions for handling cash. Whether you opt for a standard version or need a customised solution to meet your own specific requirements regarding format or print – DEBATIN, your specialist for packaging and security systems, manufactures all products to highest quality standards.

**DEBASAFE**<sup>™</sup> security bags

The security bag with numerous security features: tamper-evident sealing strip, consecutive numbering, barcode on pouch of bag and counterfoil, double-shrink seal, tear-proof LDPE film, transparent or opaque. Available in a wide range of versions; customised print upon request.

**DEBATUBE** paper coin tubes

Easy to fill by all standard coin counting and sorting machines, or by hand. Sturdy tubes with reinforced base, in a range of colours. Customised printing upon request.

**DEBASEAL**<sup>™</sup> security labels and seals

Secure closure for reusable transport bags. Various versions for all conventional systems. Individual numbering makes each seal unique. Easy to use without tools.

**DEBAROLL** single sheet – coin rolling paper

Classic coin rolling paper for rolling manually. Sturdy, low priced, sorted by colour, customised printing upon request.

**DEBABLISTER** plastic coin rolls

Easy to fill manually. Sturdy roll, sorted by colour. Thanks to an exact fit, it is not necessary to count the coins. Easy to close, open and reclose.

**DEBASHRINK** shrink wrap

Robust, transparent rolls of shrink-wrap for fully automatic coin packaging machines. Flat film and semi-tubular film (needled) in various widths.

**DEBAVACUBAG** vacuum bag

For shrink-wrapping coin rolls and banknotes with any semi-automatic vacuum shrink-wrap machine. Transparent and very sturdy. Available in various sizes.

**DEBALABEL** tags

For labelling conventional coin bags.

These products can be purchased through our partner Kurt Debatin Papierrollen Fabrik GmbH [www.debatin-papierrollen.de](http://www.debatin-papierrollen.de):

**DEBAUTOROLL** coin machine rolling paper

Strong coin rolling paper for all conventional, fully automatic machines. Sorted by colour, can be printed to order, available in a range of lengths.

**DEBABAND** paper bands

Paper bands for banknotes. Sorted by colour, or endless for fully automatic machines.

DEBACASH<sup>™</sup>-products for cash packaging are available in numerous different versions.
