

DEBASEAL[®] *key seals*
Manage your keys securely.
Premium quality at a budget price.

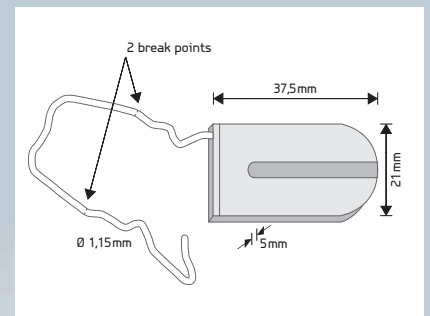

DEBATIN[®]
SAFE. PERFECT. PACKED.

► **DEBASEAL[®] key seals** *The low-budget, high-security alternative to conventional locks or keyrings. The highly developed closing mechanism is approved by customs in the US and the UK. Two fixed break points make the seal easier to open. The durable plastic body is made of high-quality, stainless steel wire. Easy to close without tools: manual pressure of the finger suffices.*

Overview of features:

- For sealing keyrings, catering trailers, barrels, fibre drums, medicine cabinets, lockers etc.
