

DEBAMED® Bio-Freeze
*Bio-Freeze for transporting samples
of biological substances.*

DEBATIN®
SAFE. PERFECT. PACKED.

L.E.S.S. FRANCE

► **DEBAMED® Bio-Freeze** is a kit consisting of secondary packaging (a container) and outer packaging (a box). It is suitable for transporting category A and B samples of biological substances under temperature-controlled conditions. Due to integrated ice pack it can be used for longer transports. Because the product does not use dry ice for the cooling process, it is not classified as hazardous for aviation purposes. This helps to cut costs considerably.

Product information

Description

Product characteristics	<ul style="list-style-type: none"> • Outer packaging consists of a box with integrated closure system • Sturdy, waterproof container made of rigid plastic, can withstand internal pressure of 95 kPa / 14 psi • Air-bubble bag with adhesive closure for guaranteed shock resistance • Absorbent material • Temperature range: guaranteed -15 °C to 0 °C for more than 48 hours • The kit includes two labels – for class 6.2 infectious substances and for UN3373 infectious substances; these can be attached as appropriate to the outer packaging
Standard range	<p>Bio-Freeze - 1 l</p> <p>Item no.: 822H0000002</p> <ul style="list-style-type: none"> • Dimensions of secondary packaging: <ul style="list-style-type: none"> • Height: 245 mm • Diameter: 150 mm • Opening: 110 mm, decreases to 75 mm (usable space) • Dimensions of outer packaging: 330 x 255 x 255 mm • Weight of container: 2.04 kg • Total weight: 2.97 kg
Print on standard range	<ul style="list-style-type: none"> • "4GU" = cardboard packaging code • "CLASS 6.2" = infectious substance class 6.2 • "20" = year of production z. B. "20" für 2020 • "NZ" = country code (New-Zealand) • "CAA" = certifying organization code (Civil Aviation Authority) • "43582-28" = number of the test report
Closure / opening	<ul style="list-style-type: none"> • Waterproof lid • Container is easy to open and close
Country of origin	<ul style="list-style-type: none"> • New Zealand
