*SARS-Cov-2 coronavirus pandemic respiratory masks,
disposable surgical and non-medical face masks.*

DEBATIN
SAFE. PERFECT. PACKED.

► **DEBAMED® Face masks** are available in three versions: as approved SARS-Cov-2 coronavirus pandemic respiratory masks, as disposable medical face masks / surgical masks, and as disposable non-medical face masks in certified quality to protect oneself and others.

Approved SARS-Cov-2 coronavirus pandemic respiratory masks

To meet the demands of the ongoing pandemic, our SARS-Cov-2 coronavirus pandemic respiratory masks have been approved as in line with EU pandemic legislation, following a fast-track approval procedure developed by the supervisory authority for medical products. A copy of the approval report is included in each delivery.
